FEEL ICONIC

Drive a distinct and powerful icon with legendary capabilities. The exterior design of the All-New Nissan Patrol is a true masterpiece that captivates at first glance. Its bold and sculpted lines convey power and sophistication wherever you go.

V - M O T I O N
G R I L L E

The car's muscle-bound persona, the sleek lines and aesthetically designed intersection add a commanding character to the V-Motion grille.

S I G N A T U R E N I S S A N P A T R O L
S I D E B A D G E

A symbol of consistent performance, the Nissan Patrol badge is a tribute to innovative engineering.

D I S T I N C T I V E F R O N T B U M P E R

Make heads turn with the purposefully designed and formidable bumpers that complement the aesthetically streamlined body.

DUAL-TONE EXTERIOR

Evoke an elevated sense of authority and elegance with the bold contrasting dual-tone exterior of the All-New Nissan Patrol.

UNIQUE WHEEL DESIGN

Exhibit power with the All-New wheel design, a perfect fusion of modern aesthetics and exceptional style. Whether conquering the dunes with 18" and 20" wheels or commanding the urban roads with 22" wheels, each revolution sets new standards.

SIGNATURE DOUBLE C-SHAPE HEADLIGHTS

Impose your presence on the road with the signature Double C-Shape headlights, designed to flow seamlessly around the exterior.

ICONIC PUDDLE LAMPS

Embrace heritage with the All-New Nissan Patrol's special throwback motif that auto activates as you approach the car or unlock the doors. It's an iconic symbol celebrating the legacy of Nissan Patrol since 1951.

FEEL
ELEVATED

ICONIC CRAFTSMANSHIP

An epitome of sophistication, the All-New Nissan Patrol redefines the standards of style and comfort. The premium cabin, ergonomic controls, and advanced infotainment transform every journey into a unique experience.

28.6" MONOLITH DISPLAY

Stay updated with all the necessary information about your vehicle and journey displayed in real time on the Twin 14.3" Screen, integrated with Google Maps.

HEAD-UP DISPLAY

Keep an eye on your vehicle data and surroundings simultaneously, all while enjoying a stress-free drive.

M A S S A G E S E A T S

Long drives are even more relaxing. Enjoy a massage on the go with the built-in seat massage system for the driver and front passenger seats via the 4-way pneumatic lumbar support.

Z E R O G R A V I T Y S E A T S

W I T H J A P A N E S E - I N S P I R E D D E S I G N

Feel the unmatched comfort of premium leather-quilted seats printed with stunning Japanese-inspired patterns. Made from high-damping foam, each seat offers exceptional support for improved posture.

L I V E B A C K G R O U N D

Keep the ambiance vibrant and alive with dynamic backgrounds on the Monolith Display that change automatically, whether it's day or night.

C A B I N I L L U M I N A T I O N

Direct your personal symphony of hues for every journey. Pick and choose from 64 colors and 16 ambient tones to complement the changing landscapes.

W I R E L E S S C H A R G I N G

Experience the freedom of wireless charging, powered by the cutting-edge Qi standard, delivering up to 15W of power for maximum charging.

PIANO BUTTON E-SHIFTER

Seamlessly transition between gears with the innovative Piano Button E-shifter. Designed to enhance the driving experience, this dynamic new system delivers immediate control at the touch of a button.

The horizontal 28.6" Monolith Display of the Nissan Patrol's cockpit boasts two view modes—Classic and Enhanced. Adding to that, content can also be expanded across the whole screen, syncing you seamlessly with your Nissan Patrol.

PANORAMA VIEW

Enjoy enhanced visibility and stay informed and secure at any place when you activate the ultra-wide front view or the invisible hood view on the expansive 28.6" horizontal Monolith Display.

SIGNATURE
SOUND

Klipsch

Klipsch

PREMIUM AUDIO

Founded in 1946 in the USA, Klipsch® has reshaped the audio landscape with its innovations. Now, for the first time, Klipsch® is partnering with Nissan to bring this legacy of audio excellence to the All-New Nissan Patrol.

The 12-speaker system delivers an immersive, crystal-clear soundscape that integrates seamlessly into the Patrol's interior. DynamicAudioReveal™ technology ensures consistent clarity and depth by adjusting audio equalization based on environmental conditions, while DJX® 3D Surround delivers a rich, concert-like sound experience.

12.8" REAR ENTERTAINMENT SCREENS

Elevate the travel experience with the new 12.8" Rear Entertainment Screens. Passengers in the second row can stream, watch movies, and enjoy games by connecting their devices through Miracast, HDMI, or USB.

OPEN UP A NEW SPACE

Reaching the car's third-row seats for adults has never been so convenient. With a simple pitch and slide of the EZ Flex second-row seats, you can easily access the back row seats—no folding seats, no removing child seats, no hassle.

MORE ROOM FOR ADVENTURES

Conveniently fit all your essentials inside the combined 9-liter storage across the intelligently designed glove and console box. The spacious cargo area allows you to accommodate everything you need for every journey.

IN-VEHICLE
INFOTAINMENT (IVI)
SCREEN CONTROLS
FOR THIRD-ROW SEATS

Convenience at your fingertips. A touch on the 28.6" horizontal Monolith Display folds and unfolds the third-row seats to create more legroom or fit in more luggage.

PANORAMIC SUNROOF

Experience the world from a new perspective with the Panoramic Sunroof. Enjoy a sense of spaciousness and freedom on your journey as you let the outside in, making every drive a scenic adventure.

BIOMETRIC COOLING

An automatic scan of your body temperature activates the individual cooling zones. The moment passengers take their seats, a built-in infrared sensor reads their body temperature and automatically increases cool airflow towards them.

FEEL POWERFUL

Experience a symphony of power, precision, and passion. The thrilling roar of the All-New Nissan Patrol's engine unleashes its full potential to deliver an efficient driving experience that transcends the ordinary, leaving a mark on the hearts of enthusiasts.

POWER IN MOTION

A force to be reckoned with, the V6 Twin-Turbo engine variants and 9-speed automatic transmission are the powerhouse behind the All-New Nissan Patrol. With its full potential, you can achieve the best on-road and off-road acceleration performance while maintaining optimal fuel economy even in low gears.

NISSAN

ADAPTIVE AIR SUSPENSION

The All-New Nissan Patrol introduces e-damper technology, which electronically adjusts the damper settings according to driving conditions for a more controlled and comfortable onboard experience.

It also features the new innovative adaptive air suspension, making it a versatile companion for all your adventures.

It allows for:

- Easy passenger entry and exit
- Convenient gear loading and unloading
- Better ride handling
- Optimized off-road performance

When you engage the off-road mode, the suspension raises the vehicle's ground clearance, allowing you to effortlessly tackle challenging terrain. And when you shift to park, it automatically lowers the vehicle by 7cm for easy cargo area access.

POWERFULLY
QUIET

Move with force in the All-New Nissan Patrol, whether navigating the urban jungle or exploring the dunes. The Damping Acoustic Glass, All-New frame, and other features create a peaceful, serene cabin, regardless of your journey.

SWITCH BETWEEN DRIVE MODES ON THE FLY

Your ultimate driving experience is tailored to perfection with six distinct drive modes. From tackling rugged terrain to cruising around the city and improving fuel economy, the drive modes enable the Nissan Patrol to take on any challenge and conquer every track.

R O C K

Tackle the most exciting terrains with confidence by reducing tire slip on uneven ground.

S A N D

Take on the dunes and tear up even the steepest slopes.

E C O

Conserve energy as you cruise through the city.

M U D

Keep the adventure going and push through even on mushy and uneven surfaces.

S T A N D A R D

For ease of use select the standard setting for general driving.

S P O R T

Experience the excitement and the speed when you switch to sport mode.

FEEL IN CONTROL

NO COMPROMISE
ON SAFETY

Your safety is at the forefront of our innovations. Complete visibility is essential while driving on-road and off-road, which is why, our cutting-edge Increased Visibility Technology eliminates blind spots around the vehicle, enhancing your safety and peace of mind.

DRIVER ASSIST

Empowering you for every situation, the All-New Nissan Patrol comes equipped with a range of advanced chassis systems and electronic aids, ensuring a safe and effortless response to any road condition.

INTEGRATED PADDLE SHIFT

Unmatched control, uncompromising technology. With our advanced system, you can seamlessly shift gears manually and access the majority of your Nissan Patrol's operations without ever needing to take your hands off the steering wheel.

INVISIBLE HOOD VIEW

No more guessing what's on the other side of a sand dune or worrying about hitting the edges of a sidewalk. The Invisible Hood View displays the area over crests or overhangs in the desert on the 28.6" horizontal Monolith Display. It also helps to protect the sides of the car from hitting the sidewalks and curbs on narrow roadways.

3 D A R O U N D V I E W M O N I T O R

Be more aware of the area surrounding your Nissan Patrol with the 360 degree rotating camera that provides better visibility in 3D, enabling you to check for obstacles and obstructions from different angles while driving in and out of parking spaces.

ALL-ROUND
SAFETY
ASSURED

Putting your safety first, the All-New Nissan Patrol is equipped with a comprehensive safety package featuring seven airbags, including a knee airbag, specifically designed to enhance the driver's safety.

INNATE.
INTELLIGENT.
INTUITIVE.

Elevate your journey with Advanced Safety that seamlessly enhances your perception and responsiveness. It works alongside you as a natural extension of your senses, and at times, even on your behalf.

Advanced Safety is our commitment to a brighter tomorrow, ushering us into a world that's not only safer and more sustainable, but also filled with excitement.

PROPILOT

A first for the Patrol, Nissan's intuitive and user-friendly driving assistant, the ProPILOT, is designed with you in mind. It takes control of steering, braking, and accelerating, all while ensuring you stay confidently centered in your lane. Your convenience and safety are at the heart of this ultimate co-pilot.

ULTRA WIDE VIEW

Enjoy enhanced visibility and stay informed and secure at road intersections when you press to activate the frontal intersection view with 170 degrees on the expansive 28.6" horizontal Monolith Display.

REAR ZOOM VIEW

Navigate with confidence, knowing exactly what's in your path. With the Rear Zoom View feature, you can get a clearer view of what's behind, allowing you to enlarge the ground view behind.

AUTOMATIC EMERGENCY BRAKING

WITH PEDESTRIAN DETECTION

Your guardian on the road. Automatic Emergency Braking monitors your speed and distance between you and the car ahead, and lets you know if you need to slow down. It can even automatically engage the brakes to help avoid a collision or lessen the severity of an impact. And when it detects a pedestrian in the crosswalk, it can apply the brakes for you.

FRAMELESS SMART REAR VIEW

MIRROR

Gain a sharper perspective in the Frameless Smart Rear View Mirror so you can see around obstructions for a completely unimpeded view. Day or night, your visibility will be enhanced with the help of the rear hatch camera, which expands your rear field of vision and brightens low-light conditions.

REAR

AUTOMATIC EMERGENCY BRAKING

Reverse with complete control. The Rear Automatic Emergency Braking is designed to keep an eye out for moving objects when you're reversing, and if necessary, takes immediate action by automatically applying the brakes and alerting you to obstacles, ensuring your safety.

PREDICTIVE FORWARD COLLISION WARNING

When you are on the road, sensors will be on the lookout for what is ahead. Predictive Forward Collision Warning with the Patrol's laser range finder will alert you with visual and audible warnings to potential collisions.

LANE DEPARTURE PREVENTION

You're always in your lane with the Lane Departure Prevention that helps keep you where you want to be. It activates to help gently guide you back if it detects that you're unintentionally straying out of your lane for too long.

You should not rely solely on driver convenience features. Some features may not work in all conditions and circumstances. Speed and other limitations apply. For terms and conditions relating to Nissan technologies, please contact your Nissan dealer or www.nissan-me.com

Features and specifications are subject to change depending on market and grade. Please consult your local dealer.

FEEL CONNECTED WITH GOOGLE BUILT-IN

The new MyNISSAN with Google built-in makes every drive more connected, helpful, and personalized. With Google Assistant, Google Maps, and more on Google Play integrated into your vehicle, you can seamlessly connect and drive with unmatched ease.

Hey Google, take me home

ALWAYS CONNECTED

Your confidence and convenience are at the heart of what we do. You're always in command and seamlessly connected to your vehicle via the MyNISSAN App no matter where you are.*

*Only available based on the network coverage. Read T&Cs for more information.

GOOGLE ASSISTANT

With Google Assistant, you can get more things done while keeping your hands on the wheel and eyes on the road. Just say, "Hey Google," to get started, to call or text friends, listen to music, set reminders, or even change the temperature in the car.

SEAMLESS AND PERSONALIZED DRIVING EXPERIENCE

Your journey is uniquely yours with our personalized world of experiences. Get hands-free help from Google Assistant, saved locations from Google Maps, your favorite music apps, and more available on Google Play. Our system learns from your driving habits, synchronizing your in-car screens with all your digital devices to enhance your driving experience.

To use MyNISSAN Services, you need a MyNISSAN Services user account and have to register and log into the MyNISSAN Services app with your username and password. To use the free MyNISSAN Services App, you need a smartphone with a compatible iOS or Android operating system and a SIM card with data option with an existing or separate mobile phone contract between you and your mobile service provider. All services are subject to mobile network coverage. Some MyNISSAN Services are available for an additional charge on subscription, or others may be free for a specific period and chargeable thereafter. Google, Google Play, and Google Maps are trademarks of Google LLC. Availability of these services varies by country and language. Google Assistant is not available in all languages and countries. For further information, please visit nissan-me or contact your local Nissan Dealer.

MyNISSAN

The MyNISSAN App offers various ownership services at your convenience. It is constantly upgraded to meet your evolving needs as our customer. Start by creating your unique NissanConnect ID and connect your whole Nissan experience via the app. With the multi-user feature, your family and friends can be a part of this experience. You can create up to 3 profiles (Owner, Standard, Lite) for additional benefits, such as 'Plan my Journey' and remote vehicle status check.

NISSAN CONNECTED CAR SERVICES

The NissanConnect Services offers a unifying experience across multiple digital ecosystems to give you intuitive control. You can seamlessly connect and control essential aspects of your car, such as remote services, health monitors, Google services, and more.

REMOTE DOOR CONTROL & REMOTE ENGINE START

Use the MyNISSAN App to remotely lock or unlock your car's doors from any location. Avoid the heat by using the remote engine start to turn on the air conditioning.

MY CAR FINDER

Your Nissan Patrol is always within reach with the My Car Finder feature. Use the MyNISSAN App, and it will tell you the exact location from when the ignition was last turned off.

REMOTE CLIMATE CONTROL SETTINGS

Once you have remotely activated the cooler monitor, adjust the temperature of the interior to ensure it is perfectly set for when you want to start your journey.

SHARE DESTINATION & PLAN MY TRIP

Take road trips to the next level with the multi-user feature. Friends and family will now be able to send a new location directly to the MyNISSAN App, check on the status of the trip, schedule stops and even adjust the pre-entry climate of the Nissan Patrol.

VEHICLE HEALTH STATUS CHECK

Directly from your phone, access a full health report for your Nissan Patrol. From anywhere, you can check the fuel level, tire pressure, oil, and more. The app will automatically alert you if there is a problem, and you can arrange a time to visit the garage.

Plan My Trip with Google built-in

MALFUNCTION INDICATOR LIGHT (MIL) ON NOTIFICATION

Your Nissan Patrol's health is key. Receive automatic notifications directly to the MyNISSAN App when the warning light is activated.

REMOTE DATA WIPE

Your privacy is our priority. If you feel that your security is compromised or your Nissan Patrol is stolen, you can use the MyNISSAN App to remotely wipe all your personal information stored in the IVI.

E CALL

No matter where you are, your safety is paramount. If you are in an emergency, simply reach up and press the eCall to automatically alert the local emergency services to your location.

CURFEW & ZONE ALERT

With the curfew alert feature, you can have peace of mind about your family and loved ones' safety. Set a custom time of vehicle operation and apply the geo-fencing feature to receive alerts every time your Nissan Patrol goes beyond these boundaries.

SPEED ALERT

For added safety of you and other road users, the MyNISSAN App will automatically receive an alert in real time if you exceed the official speed limit.

REMOTE HORN & LIGHT

Never forget where you parked your Nissan Patrol again. Activate the horn and lights directly from the MyNISSAN App to easily find the location.

ON-BOARD AIR COMPRESSOR

Go on your outdoor adventure with confidence. The high-capacity air compressor, equipped with a digital display, makes tire inflation and deflation a breeze.

PORTABLE CARGO ORGANIZER

For added convenience and to save you time, this clever storage solution keeps everything tidy and well protected.

CONSOLE NET

Stop your parcels and luggage from sliding around by attaching the console net with secure hooks in the trunk.

SMART LUGGAGE SHELF

Separate the contents of your trunk and stop your luggage from rolling around during transportation.

FRONT AND REAR SPLASH GUARDS

Every angle of the Nissan Patrol is considered. Protect the underside of your vehicle with both front and rear splash guards.

ILLUMINATED KICK PLATES

Add a premium touch and brighten up your journey with this illuminated kick plate.

WELCOME LIGHT

The welcome light glows beneath your car offering a stylish and secure reception.

ROOF CROSS BARS SILVER

This handy load carrying accessory will help you take everything you need, wherever you go. For loads up to 75kg, it offers durability and endurance.
